Patient Name: Jim Jones

Patient ID:

Date of Birth:

Date of Evaluation: 05/01/2002

Scale/Subscale:	Item	Text of Question:	Patient Response:
Complete Denial			
	8	All together, how many different victims have you committed a sexual offense against?	
	18	I have never done anything that could be called a sexual offense.	Agree
	58	The idea that I committed a sexual offense was put into the victim's head by someone who did not like me or who wanted to get me into trouble.	Agree
Denial of Victim Credibility			
	21	In general, the victim was telling the truth about what happened during the sexual offense.	Disagree
	32	The victim was lying about the sexual offense.	Strongly Agree
	45	The victim is the kind of person who could make up a story about somebody sexually abusing them.	Strongly Agree
Denial of System Fairness			
	15	The main reason I have to be in sex offender treatment is so others can make money.	Agree
	22	The sexual offense was not really my fault.	Agree
	36	People in the system don't care about what is fair, they just want your money.	Agree
	62	No matter what I do, the system is just out to get me.	Agree
Denial of Victim Harm			

Scale/Subscale:	Item	Text of Question:	Patient Response:
	20	A few years from now, the victim probably won't remember much about the offense, or it won't matter.	Agree
	30	I feel bad when I think about all the things that the victim is going through because of what I did.	Disagree
Denial of Intent due to Stress			
	29	The offense happened because I was under stress or was feeling depressed.	Agree
Denial of Intent due to Mistake			
	13	The sexual offense was an accident, and it will never happen again.	Strongly Agree
	44	I don't remember anything about the sexual offense.	Strongly Agree
Assertion of Victim Desire			
	19	At times, the victim acted like they wanted sexual contact with me.	Agree
	56	The victim did not want me to do the sexual things I did to them.	Strongly Disagree
Denial of Overt Planning			
	14	I purposely arranged things so I could have sexual contact with the victim.	Disagree
	42	I often found ways to get time alone with the victim.	Strongly Disagree
	52	I would think about how to get time alone with the victim.	Disagree
Denial of Victim Enticement			
	12	I did things to try to attract the victim to me.	Strongly Disagree
	40	I did things to get the victim to think about sexual things.	Strongly Disagree
Denial of Deviant Fantasies			
	11	I have had sexual fantasies about the victim.	Strongly Disagree
	34	There were times when I	Disagree

Scale/Subscale:	Item	Text of Question:	Patient Response:
		masturbated to thoughts of the victim.	
	60	My fantasies about the victim came more often over time.	Strongly Disagree
Denial of Sexualizing the Victim			
	50	I made myself think that the victim might like having sexual contact with me when they really didn't.	Disagree
Denial of Sexual Deviancy			
	17	I sometimes find myself being sexually attracted to children.	Disagree
	27	The thought of sexual contact with a child has never appealed to me.	Agree
	31	I have a serious problem with my sexual behavior.	Disagree
	63	In general, it would not be difficult for me to become sexually attracted to a child.	Disagree
Denial of Future Offense Risk			
	33	I will easily be able to keep myself from committing another sexual offense.	Strongly Agree
	49	Given the right conditions, I could commit another sexual offense.	Disagree
	54	It may be difficult for me to avoid committing a sexual offense in the future.	Disagree
